POSITIVE LESSONS CAN BE LEARNED IN A FUND RAISING CAMPAIGN.

The experience of taking part in fund raising sales can be a rewarding experience for your child. Fund raising programs help children establish goals with the expectation that their accomplishments will be rewarded.

Organizational skills and responsibility will be enhanced by planning sales, taking orders and delivering the finished products. It is important to monitor your child's activities. *Door-to-door sales are not necessary.* We recommend selling to family, friends and co-workers. Please accompany your child if you decide he or she must go door-to-door.

REMEMBER, SAFETY IS ALWAYS FIRST.
